At our last meeting...

At our last meeting we forked over money to the Williams Bay Business Ass. for the new Way Finding signs. These will be placed in front of the fire department and at the east-west entrances to the village. After 4 years of talking about this it's finally become a reality.

Our club made a contribution to Joan Kalla. Looking at the big picture, it's only a drop in the proverbial bucket. We should do whatever we can as individuals and as a club, to help them with their tragic situation

I've heard there will be some upcoming fund raisers; I'll try to keep everyone posted via email.

Race Program.... Lion Jason Fry will soon be emailing out (if he hasn't already) a "packet" to sell ads for the race program book. We all know it's a tough sell since the Lake Geneva track has been shut down but any revenue we can raise is bonus money for our club. Keep up the good work Jason!

Williams Bay Lions Club 2009 – 2010 Officers & Directors

At our last meeting nominations for the next slate of club officers has been finalized.

The "official" election will take place at our next meeting. With that being said...

There will be mandatory training for some of the newly elected officers to take place in late April or early May... Oh' Boy!

Reminder...

Raffle prizes, raffle prizes and more raffle prizes... enough already. Did I mention we're going to need some raffle prizes? Remember, we're hosting our district bowling this fall. It's never soon enough to start collecting... raffle prizes :-)

FYI...

Our club is hosting our district's second zone meeting for 2008-2009 on March 31st at Moose Creek, 6:00pm

Highlights from our last board meeting...

Lion Dean brought the beer.
